

## Privacy Statement

A-Tech Corp. dba ATA Sensors and Applied Technology Associates, has created this privacy statement in order to demonstrate our firm commitment to privacy. The following discloses our information gathering and dissemination practices for this website:

*Your IP address is used to gather broad demographic information.*

**We do not provide your information to anyone else!**

Our site's Guest Book and Membership Services require users to give us contact information (like their name and/or email address). We use customer contact information from the Guest Book, Membership Register, customer's Purchase Order, and/or our Sales Order to send the user information about our company, product information, product updates, shipping purposes, and in general just keeping in touch. The customer's contact information is also used to contact the visitor when necessary.

This site contains links to other sites. **ATA Sensors** is not responsible for the privacy practices or the content of such Web sites. Our online surveys ask visitors for contact information (like their email address). The customer's contact information is also used to contact the visitor when necessary.

**We do not provide your information to anyone else!**

### Choice/Opt-Out

Our site provides users the opportunity to opt-out of receiving communications from us at the point where we request information about the visitor. This site gives users the following options for removing their information from our database to not receive future communications or to no longer receive our service.

- ▶ You can send email to: [CustomerService@aptec.com](mailto:CustomerService@aptec.com)
- ▶ Or call Us at (505) 823-1320.

### Change/Modify

This site gives users the following options for changing and modifying information previously provided.

- ▶ Email [CustomerService@aptec.com](mailto:CustomerService@aptec.com)
- ▶ Visit: <http://www.atasensors.com/contactus.html>

### Contact the Website

If you have any questions about this privacy statement, the practices of this site, or your dealings with this Web site, you can contact us by using any of the methods below:
